## FINISHED EVENTS

Our events that have already taken place could not have turned out more amazing. These are the events that have taken place.

**Bingemans Comedy Night** was amazing The comedians performed to a full house . Everyone was so amazed by the comedians talent and how funny they were They kept promoting our foundation throughout the night and mentioning bits and pieces about autism and to check out our foundations site.

**At Merritville** we had friends of the foundation on facebook that we have never met in person show up at our event. It was such a treat to answer so many questions and give information from teachers, EA`s and parents and even grandparents. Their Mascot decided he would help us out at this event sending people over to our merchandise table .

**South Buxton** did a little something special. They received an autism locket and raffled it off and all proceeds went to the foundation .Also a few (maybe 6) race car drivers went through the stands with their helmets and passed the helmets around to collect donations A total of just shy of \$1,000.00 was collected

**Capital City** was very helpful with our member that flew to the race track. The people were so wonderful and caring as well as very helpful. Great time at the race track. Many asked for help with their questions

Our merchandise from these events went over just amazingly well Almost sold out of many of the merchandise taken Great turn out of fans for all events .Great start to the year

## How You Can Help

As a charitable organization, the Canadian National Autism Foundation strives to raise funds to achieve our goals and it is with the support of generous organizations, companies and people that we are able to put together fundraising events such as those we have had in the past in order to raise the funding needed.

At this time we are looking for financial support, and this can come in various forms:

- Sponsorship of portions of our events
- Donations of prizes for our events
- Purchase of tickets to our events
- Financial contributions directly towards our goals (i.e. research)
- Casual Dress Days
- Payroll Deductions
- Host a Golf Tournament or Hockey Tournament
- Sponsor or run a Walk-a-thon
- And any other great ideas that you may have, big or small!

## **Disclaimer**

The Canadian National Autism Foundation (CNAF) does not support, endorse or recommend any method, treatment, product, program or person for people suffering with autism spectrum disorders. The goal of our site and our responses to your questions is to provide accurate and up-to-date information about autism spectrum disorders. We believe everyone has the right to access all of the information available to them, allowing them to make their own individual choice.
