Dear Ms. Fougere,

Thank you for the donation of \$2000 from the Canadian National Autism Foundation to support the Autism Assistance Dog Guide program.

As you know, these funds will be put to use right away supporting our mission which is to empower Canadians with disabilities to navigate their world with confidence and independence by providing Dog Guides at no cost to them and supporting each pair in their journey together, despite the expense of over \$35,000 to raise, train and place each one. With no government funding, Lions Foundation of Canada relies on donations from foundations like yours to provide these special Dog Guides.

Dog Guides are a life-changing gift to someone living with a disability. Thank you for helping us continue to give that gift. Our clients often remind us that their Dog Guide's value goes far beyond the sum of its skills. By instilling confidence as a devoted presence, Dog Guides change their handler's lives – fostering independence, strengthening connections to the people and places around them, and providing safety.

If you need further information, please contact me at 1-800-768-3030 Ext. 300 or [drosenblum@dogguides.com](mailto:drosenblum@dogguides.com).

Yours sincerely,
