

DON'T GIVE UP ON ME (AUTISM SONG)

Verse 1:

It's so hard for me to say "I love you"

The words just don't come out the way they should

And I know you don't believe me, when I'm being so bad

That I'm trying so hard to be good

Pre-chorus:

And at those times when you reach for me

And I push you away

Deep inside I just want you to stay, 'cause...

CHORUS:

You're the light in my dark, the current in my stream

My sun when it's raining and drowning all my dreams

Without you, I can't make it ... so don't give up on me

There's a whole lot of love inside the person you can't see.

Verse 2:

I wish I could say how much I need you

I want to show how much I love your smiling face

But something deep inside keeps holding me back

And I'm lost in my own little space

Prechorus to chorus to bridge:

Forgive me if I'm screaming...I'm desperate to show you

Who I really am, I just wanna know you....'cause

CHORUS to end
