AUTISM SONG -Don't Give Up on Me

www.youtube.com

<http://www.cnaf.net/> <http://www.autismsong.com/> Autism awareness shouldn't be limited to any particular month, time or place. In 2002, Victoria Boland and her mother, Viga Boland, wrote "DON'T GIVE UP ON ME" (the autism song) for the Canadian National Autism Association. When the song was originally made available, Victoria was performing in Hong Kong, hence the opening message on this video. On her return, at the formal CD launch in Hamilton, Ontario, Victoria sung this lovely song accompanied by her current songwriting and professional partner, Andrew Rudd (<http://youtube.com/andrewvictoriamusic>) That live performance is also listed here on this channel.

How You Can Help

As a charitable organization, the Canadian National Autism Foundation strives to raise funds to achieve our goals and it is with the support of generous organizations, companies and people that we are able to put together fundraising events such as those we have had in the past in order to raise the funding needed.

At this time we are looking for financial support, and this can come in various forms:

- Sponsorship of portions of our events
- Donations of prizes for our events
- Purchase of tickets to our events
- Financial contributions directly towards our goals (i.e. research)
- Hold an Autism Awareness Day at your establishment
- Casual Dress Days
- Payroll Deductions
- Host a Golf Tournament or Hockey Tournament
- Sponsor or run a Walk-a-thon
- And any other great ideas that you may have, big or small!

Submit questions or an idea for our newsletter via email at info@cnaf.net, by phone at 905-930-8682, by fax 905-930-9744, or via mail at 38 King Street East, P.O. Box 66512 Stoney Creek, Ontario L8G 5E5
