

Mission and Vision Statement

The Canadian National Autism Foundation promotes the positive enhancement and quality of life for people with autism in Canada.

Goals

The objectives of the Canadian National Autism Foundation are charitable.

The Canadian National Autism Foundation has been formed to provide funding for:

Educating the general public and professionals

Providing information and resources to families of children with autism

Providing funding for Canadian based research and development

Promoting national autism awareness

If you feel that your organization fits into the above goals, please submit a grant application for consideration.

Applications must be received by December 31.

Disbursements made in February and March of each year.

Grant Application
